

# How to Register for an AMATYC Event as a Non-Member

If you are not an AMATYC *member but have been a member in the past, or have attended an AMATYC conference in the past, or know you have a profile in the AMATYC database*, then click on the "Forgot your password?" link and follow the directions to retrieve your login information. Please email the AMATYC office ([amatyc@amatyc.org](mailto:amatyc@amatyc.org)) to verify your username **before** creating a new profile or if you do not receive a reply for the forgot-your-password link.

If you are new to AMATYC and would like to register for the conference, a **webinar**, or other event as a non-member, create a profile and sign in as a *Friend of AMATYC*. There is **no cost** associated with this non-membership category.

Click on **JOIN** to begin.

1. After selecting **JOIN**, you should see a new screen. Create a personal username and then enter your first name and last name. There is a validation key to acknowledge you are not a robot.
2. On the next screen, create your password and enter your email address. Next, complete the fields marked with a red asterisk in the personal information section and save.
3. You should receive a confirmation on the next screen that your profile has been created. You may register now for the webinar. Select the AMATYC logo at the top left corner to return to the main page or select the "webinar" link from the Professional Development button on the top menu.

## Need Help?

For assistance in retrieving your username or verifying AMATYC membership, please contact the AMATYC office by email ([amatyc@amatyc.org](mailto:amatyc@amatyc.org)) or by phone (901.333.5643) and leave a message on our voicemail system.
