

NOSS Award to an Administrator or Public Servant for Outstanding Support of Student Success Programs

Purpose of award

This award recognizes the special contributions and support of an individual, other than professionals working in student success programs, to student success programs.

Criteria for evaluation

- clear evidence of support of student success programs

Directions for application

- letter of nomination from the local chapter or student success programs department (1–2 pages)
- if available, recent newspaper articles, professional publications and/or formal public presentations supporting student success programs and a resume of the nominee (1-10 pages)
- See the Awards page on the NOSS website for specific requirements for submission of application packet to the Awards Committee chair.
