## NOSS Membership Rate Change

In early 2020, the NOSS Board voted to increase membership for the first time in four years. Then the pandemic began and we revoked the plan to increase rates by \$15. It's now been six years since the NOSS membership rate has increased. Beginning September 1, 2022, the individual NOSS membership rate will increase by \$5. Renewal notices will reflect the increase to \$80 for an individual annual membership.
