Executive Board Nominations

Has your chapter had an incredible officer who took the chapter to a new level? Perhaps that person should run for the NOSS Executive Board. It's time to nominate NOSS members to serve on the Executive Board as the Vice President. The person in this role works primarily with NOSS chapters and helps make decisions for the organization as a whole. Log into your NOSS account and go to Members Only > Election Nomination to see more information and to make a nomination.

NOSS Membership Rate Change

In early 2020, the NOSS Board voted to increase membership for the first time in four years. Then the pandemic began and we revoked the plan to increase rates by \$15. It's now been six years since the NOSS membership rate has increased. Beginning September 1, 2022, the individual NOSS membership rate will increase by \$5. Renewal notices will reflect the increase to \$80 for an individual annual membership.
